Merchandise Booth (below Left) and Communication Center (Right)

Kim Stahlman, Merchandise Manager, jumped in, organized and offered for sale the Club T-shirts, pins, and assorted items.

John Markley (Communications) assisted by Dan Henry & Jeremy Loewen worked the PA – answering questions and providing guidance with the Event Schedule. Jeremy and Dan will be at the microphone again next year. Both did a Fantastic Job!

Special Thanks this year go out Tracy Stahlman and his friend Mike for repairing the PA System. Both Tracy and Mike were on the field with a ladder for a long time. Let's just say it took awhile to fix the PA speaker wires from years of decay.

Fort Sutter National Meet – Motorcycles Everywhere

There were Crocker Motorcycles proudly displayed on the South Lawn – Thank you to the owner(s) for bringing these to the Motorcycle Show. Word is that there are only 100 Crocker motorcycles left in the world and 12 were at our meet. What a nice surprise!

Albert Crocker (1882–1961) was an American inventor and the founder of Crocker Motorcycles. His innovations had a substantial influence on the motorcycle industry.....

Fort Sutter National Meet – Bikes on the South Lawn

Bill Hill displayed a 1959 Cushman Eagle the "Crudster", 1947 Powell Husky P81, 1947 Salsbury Scooter, 1961 Mustang 3-wheeler Forecar.

From Fort Sutter Bill, thanks for coming out every year with your bikes and the raffle prize donation!

Speedway Bikes were there – a unrestored 1905 Yale and a 1912 Thor 5 Model W.....all at the same meet!

The Fort Sutter National Meet each year attracts many antique, unique, modified, competition style, and just about everything else for everyone to enjoy.....
